Larvotto is a district in Monaco known for its beaches and upscale residential areas. The district is primarily a residential area characterized by luxurious apartments and high-end properties. Many affluent individuals choose Larvotto for its proximity to the beach, as well as its stunning views of the sea and the surrounding landscape.

Larvotto features a pleasant seaside promenade where residents and visitors can stroll, enjoy the views, and access various recreational facilities. There are also cafes and restaurants along the waterfront (La Note Bleue Beach and more), offering a scenic place to dine such as Avenue 31 or Maya Bay.

Larvotto is conveniently located, allowing easy access to other areas of Monaco and the nearby French Riviera. The district's central location makes it a desirable place to live for those who want to be walking distance to the Casino Square but love to live in front of the beach.
