An extension of the living room and Maître's bedroom features a large, unoverlooked terrace on the facade of the building, offering a spectacular view of the Principality of Monaco.

A modern wooden staircase leads to the upper floor (6th), which offers a sumptuous roof terrace with panoramic 360° views over Monaco and the surrounding area.

This floor comprises an enclosed veranda housing the dining room, living room, laundry room, toilet and kitchen; There's also a laundry room, a separate toilet and a beautiful room for storing and tasting wine. The south-facing outdoor area features a lounge and a fully-equipped, self-contained kitchen, all with breathtaking views. A tented area with swimming pool (3.30 M x 2M) and shower area has been fitted at the rear, optimizing all areas and making this duplex penthouse by Maître exceptional.

Three adjacent covered garages (one of which is a double garage in a row) with electric doors and a cellar in the building are included.
